Aidan has always dreamed of a different life, one that was somehow more than what he knew. Desperate times force him and his adoptive family to move to Grandfather Patrick's house on Devil's Ridge, a tiny, rural town, that is far more than what it seems.

On the Ridge, Aidan finds a world filled with magic, monsters and terrifying beauty. He has discovered his "different life" but it isn't at all what he expected, and not all of it is good.

With most of the townspeople involved in the Clan, a dark cult, and Grandfather Patrick as the Clan's head, Aidan knows he isn't just imagining that the whole town is out to get him. When Aidan is lured by an ancient force literally in his own backyard, he is rescued by the mysterious and handsome Asher Vane, who his grandfather calls a "demon". Is Asher something terrible? More importantly, is Aidan?
