This clearly written, lavishly illustrated guide to the age-old art of lace-making allows even novices to fill a treasure chest with lovely tatted designs.

Veteran tatting instructor Rozella Linden has included clear, step-by-step instructions that will help you create simple rings and picots for such projects as earrings, a small sunflower, and an ice crystal as well as chains for flower pins, a small rosette, a lacy square, and a snowflake ornament among other designs. Advanced tatters will find directions for completing elegant projects that include a tatted necklace (which can also be used as edging), an oval doily, a fancy snowflake, and a delicate table mat.

Over 65 drawings and photos enhance this collection of easy-to-do but very attractive patterns that will not only inspire and delight anyone interested in this intriguingly beautiful craft but also enable even beginning tatters to create treasured possessions of exquisite handmade lace.
