About one third of the Bible is prophecy. The majority is about the coming of God's Kingdom to earth. A few prophecies are about Christ's coming the first time, but most of them are about His second coming. I have studied the Bible, especially prophecies about the end of time, since I was fourteen years old.

Few people dig deep into God's word, but Matthew 7:7 says, "Ask, and it shall be given you; seek, and you shall find; knock, and it shall be opened unto you." Most, however, take what others have said as fact without reading the Bible for themselves. Some Scriptures can be "interpreted" in more than one way. Others are very clear. If, therefore, you take all the Scriptures about a certain subject and read the ones that are clear in their meaning, and then read the ones that are not clear, they will have to line up with all the clear ones. This is the way to understand what the Bible means. A few things, however, will not be understood until the Lord returns and explains them.

Even though some things will never be understood until the Lord returns, He said as the time approaches many things will become clearer. Daniel 12:4: "But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase."

The book of Daniel is the key to understanding end time prophecies, especially the book of Revelation. This passage in Daniel says that the "book", the prophecies given to Daniel, will be "sealed" until the "time of the end". This passage also says people will travel quickly all over the world and knowledge will be increased. This is our world today. This is the age of information being shared in seconds by people all over the world. This e-book is an example of that. The fact that you are reading this book is a fulfillment of Daniel's prophecy. Even when I was writing this book, another secret about the millennium was revealed to me, which I explain later.

All through the books of the prophets, there are passages about what will happen once the Lord returns and sets up His Kingdom on earth. I believe it is fascinating to be able to look into the future and know what will be happening centuries from now. This is the reason for this book. It is rather short with only 22,500 words but it gives a glimpse into the period the Lord himself prayed would come, "Thy Kingdom come, they will be done, on earth as it is in heaven."
