Petty criminal Zara Cole has a painful past thatâ€™s made her stronger than most, which is why she chose life in New Detroit instead moving with her family to Mars. In her eyes, living inside a dome isnâ€™t much better than a prison cell.

Still, when Zara commits a crime that has her running scared, jail might be exactly where sheâ€™s headed. Instead Zara is recruited into the Honors, an elite team of humans selected by the Leviathanâ€™s race of sentient alien shipsâ€™ to explore the outer reaches of the universe as their passengers.

Zara seizes the chance to flee Earthâ€™s dangers, but when she meets Nadim, the alien ship sheâ€™s assigned, Zara starts to feel at home for the first time. But nothing could have prepared her for the dark, ominous truths that lurk behind the alluring glitter of starlight.
